**3. POSITIVE LEARNERS**

Congratulations to the following 2 learners who were singled out for their exemplary and positive behaviour:

**Foundation Phase**

**Name:** Samuel Sangojinmi

Motivation from Ms Anika Ludick:

Lukas 10:7 states: " A labourer is worth his wages. "

This year, Samuel brought meaning to that verse. Samuel came to school with only one intention at the beginning of the year. And that was to make 2021 his year. A year to prove to others and to himself that you are capable of anything, as long as you put your mind on it and believe in yourself, anything is possible. With a positive attitude and hard work, Samuel achieved so much in such a short time.

We are proud of you Samuel!

## Intermediate Phase

**Name:** Linzel van Wyk

Motivation from Mrs Juanri du Plessis:

Galatians 6:9 states: Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.

Linzel has grown so much this year. She always tries her best and works hard in everything she does. She takes the lead in her class and is always ready to help her classmates. Linzel is always friendly and polite and treats her teachers and classmates with respect. It is a pleasure to have her in class and we are so proud of the good progress she is making.

Well done Linzel!

### **6. SPORTS AND CULTURAL ACTIVITIES**

Legislation has been published that gives schools the green light to resume activities. We call upon parents to encourage their children to become active again. As a long period has elapsed since learners were involved in extracurricular activities, the focus will first be on basic fitness and skills before moving on to contact exercises. Practice will start next term.

Strict conditions and Covid-19 protocol will be followed.

## 7. COMMUNICATION VIA WHATSAPP - QR CODES

We have decided to make use of Whatsapp as this is the most commonly used method for quick communication. For this purpose, one number will be used by the school for communication.

Whatsapp groups are set up according to the grade in which your child is. Because of the limit of 254 users per group we request that only **ONE** parent registers.

You will not be able to send messages on the group. Please be aware that other parents on the group will be able to see your phone number. We ask all parents to please respect one another's privacy.
