## PARENT CIRCULAR NO 2 OF 2022

Dear Parents/Guardians

### 1. PARENT VISIT

We would like to thank all our parents who attended the morning information sessions and class visits during the afternoon on 11 January. Not only did parents have the opportunity to meet the teachers, but teachers also had the opportunity to meet the parents.

### 2. APPOINTMENTS WITH TEACHERS

Please note that teachers will not be allowed to meet parents during class time. Please contact the office and request an appointment with a relevant teacher which will then be arranged for after school.

### 3. WHATSAPP GROUPS

Approximately 83% of our parents have joined the school's whatsapp groups which will greatly facilitate group communication with parents. We encourage parents who have not yet become part of this to follow the instructions on pg. 7 and 8 in your child's diary and join the Whatsapp group for the relevant grade.

This form of communication is far more effective than SMS's and allows us to send detailed information to parents. SMS's will be used for individual messages such as e.g. Late arrivals, absentees of learners, etc.

### 4. ABSENTEES

If your child is absent, you are requested to call the office and request that the relevant register teacher be informed of your child's absence. Please also send an email to the relevant register teacher. (See pages 3 and 4 in the diary for all the email addresses).

### 5. PARTIAL- OR FULL EXEMPTION OF SCHOOL FEES (GRD 1 - 7)

Parents whose GROSS income for both parents is less than R300 000 may apply for possible partial or full exemption of school fees. Applications must be completed by end of March 2022.

**"A happy child, a successful school" - " 'n Gelukkige kind, 'n suksesvolle skool"**

Application forms are available at Mrs Prinsloo in the office. It must be collected by the parent, as you have to sign for the receipt thereof.
